

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

Canadian Co RWS & SWMD #5 Did Not Meet Monitoring Requirements

Our water system violated drinking water requirements pertaining to the contaminant(s) of concern listed below. Although none of these violations are considered emergencies, as our customers, you have a right to know what happened and what we are doing, or have done, to correct these violations. Customers are not at risk and there is no reason to suspect any potential adverse health effects. Alternative water supplies are not needed.

We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not your drinking water meets health standards. During the following monitoring periods, we did not monitor or test for the following contaminants, and therefore cannot be sure of the quality of your drinking water during that time:

Type of Sample(s)

Monitoring Period(s)

DISINFECTANT BY-PRODUCT

1/1/2025 To 3/31/2025

What should I do? Nothing

What happened? What is being done? We failed to collect our water sample by March 31.

The district will pull the sample by the required due date.

We anticipate resolving the problem by this date: The issue has been resolved.
